customized
Apparel*

The company has gained an enviable reputation as a reliable manufacturer of high quality clothing, delivering a first class supply chain service. We have built a loyal client base including many well known fashion brands. Our clients appreciate our understanding of their retail commercial objectives and how to meet them, while our new clients can be assured by our experience and drive to help you succeed.

We pride ourselves on creating high-quality uniforms and work-wear fit for purpose, but we also remain stylish and on trend. It's our goal to enable employees to proudly represent their brand in garments they enjoy wearing.

Embroidery Services

*Got an image?
Stitch it with
us. Whether
you need a one
off garment or
a full team kit
- we take care
of it all.*

Embroidery is a high quality permanent method of branding or identifying a person, product or organisation. Creating a smart and professional image is of paramount importance in setting you apart from your competitors. Just "because it looks good does not mean it must be expensive". Mallas Apparels offers a premium service at a reasonable cost to both individuals and corporates.

Screen Printing & Custom Apparel

*Show off your
individual
style, and get
your message
out there.*

Custom screen printing gives you the ability to put your brand, logo or message on a wide variety of quality products, from pens and water bottles to polo shirts and hoodies.

It's flexible, cost-effective, durable.

It's best suited for smooth fabrics and surfaces, and solid colour designs. Many garments can be screen printed provided they can withstand the heat treatment.

Screen printing can allow for greater detail than embroidery and is often more cost effective over long runs.

Industrial Stitching

*Large Scale
industrial
stitching
services for all
your garment
and apparel
requirements*

Mallas Apparels is focused on supplying premium service garment construction and stitching services. We manage each stage of the stitching process in-house, which enables us to ensure detailed production efficiency and to guarantee you the highest quality workmanship for your products. This ensures bulk production efficiency is optimized for our customers.

Uniform Stitching Services

strives to be
the Brand
Successful
Brands Wear*

At Mallas Apparels, we pride ourselves on creating high-quality uniforms and workwear fit for purpose, but we also remain stylish and on trend. It's our goal to enable employees to proudly represent their brand in garments they enjoy wearing.

We are passionate about our planet and the people who inhabit it. We remain steadfast in maintaining these values through every relationship; from our partner factories, our own staff to our relationship with you, our customer.

We have spent years developing relationships to ensure we deliver what our customers require. Our Design & Production team speak multiple languages to ensure every small detail is fully understood.

Every garment begins with fabric and it is this relationship that is at the heart of the creative process. The right choice of fabric is fundamental to both good design and commercial success. Our dedicated sourcing team is able to source and supply a wide variety of fabric's and trims from all over the world. Our experienced team have long standing relationships with many fabric mills, and we can find your preferred fabric or provide similar options catered to your order quantity.

We implement a very detailed production process involving artwork, pantone colours, size specifications, accessory details, fabric construction, fitting samples, branding details, pre-production samples, shipping samples & shipping instructions.

You, the customer are kept informed on the important points in this process (artwork, samples, delivery times) so you are confident you will get what you want & not have any unwanted surprises at the end.
